| 19  | English speech festival training                      | wholeyear                 | S1, S2, S3, S4, S5, S6 | 36                     | 10804.60             | 300.13                          | E5                  | English Language                                                               | The Speech Festival training this year fostered confidence, and expressive growth across the forms. Students participated in various categories, including solo verse, dramatic duologue, and public speaking, with many stepping well outside their comfort zones to compete. Notably, one dramatic duologue pair and 16 solo verse performers showcased their talents, alongside a strong showing in public speaking where 13 students earned merit awards. Several participants placed in competitions, reflecting not just technical improvement but a growing sense of self-assurance. Overall, the training was a rewarding experience that nurtured voice and character in every participant.; | ✓                                                                                                                |                  |                        |                   |                            |
| 20  | Inter-class English competitions                      | wholeyear                 | S1, S2, S3, S4, S5     | 550                    | 3000.00              | 5.45                            | E1                  | English Language                                                               | The budget was mainly spent on the purchase of materials for the inter-class competitions held in S.1-5. The competitions were found engaging and rewarding by both the teachers and students and are thus recommended for next year.                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | ✓                                                                                                                |                  |                        |                   |                            |

The attendance of the Mathematics Olympiad Course was satisfactory and the trainer gave all the participating students very high comments. Most of the students found the problems of MO interesting and challenging, and were interested in participating in future mathematics competitions.                                                                                                                                                                                                                                                                                                                                                    | ✓                                                                                                                |                  |                        |                   |                            |
